Purpose
The purpose of this announcement is to solicit applications for projects that promote public safety, reduce crime, and improve the criminal justice system.

Available Funding
Federal Funds are authorized under 34 U.S.C. §10152 Edward Byrne Memorial Justice Assistance Grant Program (JAG). All awards are subject to the availability of appropriated federal funds and any modifications or additional requirements that may be imposed by law.

Eligible Organizations
Applications may be submitted by state agencies, public and private institutions of higher education, independent school districts, Native American tribes, councils of governments, non-profit corporations (including hospitals and faith-based organizations), and units of local government, which are defined as a non-statewide governmental body with the authority to establish a budget and impose taxes.

All applications submitted by local law enforcement agencies/offices must be submitted by a unit of government affiliated with the agency, including an authorizing resolution from that unit of government. For example, police departments must apply under their municipal government, and community supervision and corrections departments, district attorneys, and judicial districts must apply through their affiliated county government (or one of the counties, in the case of agencies that serve more than one county).

Application Process
Applicants must access the PSO’s eGrants grant management website at https://eGrants.gov.texas.gov to register and apply for funding. For more instructions and information, see Developing a Good Project Narrative Guide, available here.

Eligibility Requirements
1. Entities receiving funds from CJD must be located in a county that has an average of 90% or above on both adult and juvenile dispositions entered into the computerized criminal history database maintained by the Texas Department of Public Safety (DPS) as directed in the Texas Code of Criminal Procedure, Chapter 66. The disposition completeness percentage is defined as
the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.

2. Beginning January 1, 2020, counties applying for grant awards from the Office of the Governor must commit that the county will report at least 90 percent of convictions within seven business days to the Criminal Justice Information System at the Department of Public Safety. By January 1, 2021, such reporting must take place within five business days.

3. Eligible applicants operating a law enforcement agency must be current on reporting Part I violent crime data to the Texas Department of Public Safety (DPS) for inclusion in the annual Uniform Crime Report (UCR). To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year.

4. The Texas Department of Public Safety (DPS) has established a goal set by the Texas Legislature for all local law enforcement agencies to implement and report crime statistics data by using the requirements of the National Incident-Based Reporting System (NIBRS). Additionally, the Federal Bureau of Investigations (FBI) will collect required crime statistics solely through the NIBRS starting January 1, 2021. Due to the upcoming federal deadline, grantees are advised that eligibility for future grant funding may be tied to compliance with NIBRS. Financial grant assistance for transitioning to NIBRS may be available for your jurisdiction from the Public Safety Office.

5. Local units of government, including cities, counties and other general purpose political subdivisions, as appropriate, and institutions of higher education that operate a law enforcement agency, must comply with all aspects of the programs and procedures utilized by the U.S. Department of Homeland Security (“DHS”) to: (1) notify DHS of all information requested by DHS related to illegal aliens in Agency’s custody; and (2) detain such illegal aliens in accordance with requests by DHS. Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3). Lastly, eligible applicants must comply with all provisions, policies, and penalties found in Chapter 752, Subchapter C of the Texas Government Code.

Each local unit of government, and institution of higher education that operates a law enforcement agency, must download, complete and then upload into eGrants the CEO/Law Enforcement Certifications and Assurances Form certifying compliance with federal and state immigration enforcement requirements. This Form is required for each application submitted to OOG and is active until August 31, 2021 or the end of the grant period, whichever is later.

6. Eligible applicants must have a DUNS (Data Universal Numbering System) number assigned to its agency (to request a DUNS number, go to https://fedgov.dnb.com/webform).

7. Eligible applicants must be registered in the federal System for Award Management (SAM) database located at https://sam.gov/.

Failure to comply with program eligibility requirements may cause funds to be withheld and/or suspension or termination of grant funds.
