GENERAL INFORMATION

The Procurement Department of the Lower Rio Grande Valley Development Council (LRGVDC) is requesting **Sealed** bids for the following specifications: **Vinyl Bus Wrap Production and Installation for Public Transportation Fleet** as indicated herein. Bids must be received by **12:00 Noon. on Monday, November 26, 2018.** Late bids will not be considered.

Scope of Work:
The purpose of this request is to secure a firm that will provide the generation and installation of bus wraps for the entire Valley Metro fleet. LRVDC invites organizations to provide the design, generation and installation of wraps on Valley Metro’s transit fleet for a three (3) year period, with an LRGVDC option to extend for an additional two (2) one year periods. The fleet consists of New Flyer, Type III, and mini-vans, see attachment for details. The LRGVDC reserves the right to add buses of different types and dimensions during the duration of the proposed contract. This procurement will be for an indefinite quantity, indefinite delivery contract, meaning the number of buses and type to be wrapped, and the frequency in which they will require wrap design generation and installation services is not definite.

Wrap material must be 3M or approved equal. Installation and material must be warrantied for one year. Installation must be completed at the Valley Metro bus compound, 510 S Pleasantview Dr, Weslaco, Texas 78596. All work must be completed and accepted within three weeks from notice to proceed.

The LRGVDC has a Disadvantaged Business Enterprise (DBE) program. The LRGVDC encourages the Prime Contractor to offer contracting opportunities to the fullest extent possible through outreach and recruitment activities to small, minority and disadvantaged businesses. For additional information, please contact the LRGVDC at (956) 682-3481.

8. Reservation: The LRGVDC reserves the right to refuse and reject any and all bids and to waive any and all formalities or technicalities and to accept the bid considered the best and most advantageous to the LRGVDC.

9. Restrictive Specifications: It is the responsibility of the prospective bidder to review the entire Request for Proposal (RFP) and to notify the Procurement Department if the specifications are formulated in a manner which would unnecessarily restrict competition. Any such protest or question regarding the specifications or bidding procedures must be received by 5:00pm, Thursday November 15th.

10. The LRGVDC, will not award a contract, if after bid evaluation, it is determined to not be in the best interest of the LRGVDC.

11. Bid Delivery: The LRGVDC requires bidders, when hand delivering bids, to make sure the receptionist time date and stamp the envelope before leaving the building.

12. Incomplete bids will be considered as non-responsive and not considered.

13. Signature on Bid: Bid must be manually signed or it will be disqualified. The person signing the bid must have authority to bind the represented company to a contract. An unsigned bid cannot be signed after the bid opening time even though the bidder or a representative is present at the bid opening.

16. Withdrawals: A bid may be withdrawn 24 hours prior to the scheduled closing time for the receipt of bids. This can be accomplished by written notification on company letterhead signed by an authorized representative. Envelopes must be clearly marked Bid Withdrawal, the name of the RFP solicitation, and the time and date of the bid closing. A bid may not be withdrawn or canceled by the bidder, without the permission of the LRGVDC, for a period of 90 days after the date designated for the receipt of bids.

17. Modifications: Modifications to a previously submitted bid which are made before the bid due date will be considered by the LRGVDC if received in advance to the scheduled closing time for the receipt of bids. Quotes may not be altered or amended after the submission deadline. Envelopes must be clearly marked MODIFICATION, the RFP name, and the time and date of the bid closing. Oral or telephone modifications or corrections will not be recognized or considered. Notification of the LRGVDC’s decision will be made in writing by the Procurement Officer and mailed to each vendor that submitted a bid.

18. Bid Samples: DO NOT send samples unless requested. Samples of items, when called for, must be furnished free of charge and will be returned at the request and expense of the bidder. Samples must be labeled with the bidder’s name, bid title, manufacturer’s brand name and numbers.

- A precise statement of reasons for the protest
- Supporting exhibits, evidence or documents to substantiate any claims.

The protest must be based on an alleged violation of LRGVDC’s procurement procedures, a violation of Federal or State Law (if applicable), or a violation of applicable contract agreements to which LRGVDC is a party. 49 CFR PART 26

The following Proposal conditions apply to this United States Department of Transportation assisted contract. Submission of a proposal by a prospective Contractor shall constitute full acceptance of these Proposal conditions.

REQUIRED CONTRACT CLAUSES (49 CFR 26.13) UTILIZATION OF DISADVANTAGED BUSINESS ENTERPRISES

Lower Rio Grande Valley Development Council will ensure that the following clauses are included in each DOT assisted contract and subcontract:

I) Policy - It is the policy of LRGVDC that Disadvantaged Business Enterprises shall have the maximum practicable opportunity to participate in the performance of contracts. Consequently, the DBE requirements of 49 CFR Part 26, do apply to this agreement. Proposers shall use sufficient and reasonably good faith efforts to carry out this policy in the award of their subcontracts to the fullest extent, consistent with the efficient performance of this contract.

II) DBE Obligation - The contractor agrees to ensure that Disadvantaged Business Enterprises as defined in 49 CFR Part 26, Subpart D, have the maximum opportunity to participate in the performance of contracts and subcontracts. In this regard, all contractors shall take necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that Disadvantaged Business Enterprises have the maximum opportunity to compete for and perform contracts. Contractors shall not discriminate on the basis of race, color, national origin or sex.

III) Contract Goal - If the contractor is not a DBE, then the Proposer/proposer agrees that the DBE goal for this Contract will be met by subcontracts or by joint ventures with DBE’s. The goal set forth for this Contract is 3% of the final Contract price, including amendments and modifications. The amount of DBE participation will be determined by the dollar value of the work performed and/or supplies furnished by DBE firms as compared to the total value of all work performed and/or supplies furnished under this Contract. The contractor shall have met this goal if the contractor’s DBE participation meets or exceeds this goal.

In cases where work is added to the contract by modification such that additional DBE participation is necessary to meet this goal, the Contractor shall increase the participation of one or more firms listed on the —Schedule of DBE Participation or submit additional DBE firms to meet the goal. In cases where work is deleted from the Contract, the goal shall be applicable to the new Contract amount. The Contractor shall be permitted to meet the goal by revising its DBE participation, provided, however, that the revision shall not result in DBE participation that is less than the original goal.

IV) Compliance - All Proposers, potential contractors, or sub-contractors for this contract are hereby notified that failure to carry out the policy and the DBE obligation, as set forth above, shall constitute a breach of contract which may result in non-selection; termination of the contract; or
such other remedy as deemed appropriate by LRGVDC. Agreements between a Proposer/proposer and a DBE, in which the DBE promises not to provide sub-contracting quotations to other PROPOSERS/PROPOSERS, are prohibited.

V) **Sub-contract Clauses** - All Proposers and potential contractors hereby assure that they will include the above clauses in all sub-contracts which offer further sub-contracting opportunities.

VI) **Acceptable Good Faith Efforts** - “Good faith efforts” means efforts to achieve a DBE goal or other requirements of LRGVDC’s DBE Program Plan which by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the goal program requirement. If any Proposer fails to meet the DBE goals for this solicitation, the Proposer shall submit, with the Proposal, proof of good faith efforts, using the guideline listed in Appendix A of 49 CFR 26, along with a written statement of efforts made and reasons for not meeting said goals.

49 CFR Part 29 - Executive Order 12549

Instructions for Certification

1. By signing and submitting this Proposal or proposal, the prospective lower tier participant is providing the signed certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, NIRPC may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to NIRPC if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by NIRPC.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its
principals. Each participant may, but is not required to, check the Non-procurement List issued by U.S. General Service Administration.

8. Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to all remedies available to the Federal Government, LRGVDC may pursue available remedies including suspension and/or debarment.

"Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction"

(1) The prospective lower tier participant certifies, by submission of this Proposal or proposal, that neither it nor its "principals" [as defined at 49 C.F.R. § 29.105(p)] is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) When the prospective lower tier participant is unable to certify to the statements in this certification, such prospective participant shall attach an explanation to this proposal.
