Good Afternoon,
Thank you for your interest in the RFP - Tools & Maintenance Shop Equipment No: 2021-04
Below are the responses in Red.

Project Scope Page # 5

4. **Mobile Column Lifts (Heavy Duty)**
   - Battery operated with cable communication?
   - Wireless communication (no cables) battery operated?
     Wireless with no cables would be the best option, cables give you false connections after 6 months of use.
   - Capacity per column 14,000 lbs. or 19,000 lbs. ?
     14,000 lbs. per column will work, that will give you 56,000 lbs. of capacity weight, the 35’ footer gilligs weight 39,000 lbs.
   - On board weight scales?
     We understand that some do come with that option, but not really need it.
   - (ALI)Automotive Lift Institute Certified
     ALI ? will be preferred this makes annual certification easier for us.

5. **50k Post Alignment Lift 4-post lift @ 60,000 lb. capacity**
   Independent control console * Anti-Skid surface * Diamond plate ramp
   - Length of runways including approach ramps?
     The most that we can fit will be 32 feet so it will need to be a 50K lift post
   - Rolling center jacks? Number of rolling center jacks?
     2 rolling jacks
   - 50k or 60k capacity
     50K
   - Surface mount (on top of the floor) or flush mount (in the floor)
     Top of the floor
   - LED lighting kit
     Not need it
   - Will customer provide electrical power connection service to console?
     Will prefer vendor to provide electrical power set up
   - Will Customer provide Air (120 psi on filtered line) to hook up at console
     Will prefer vendor to provide full set up.
14. **Portable Lift Stands** (x4) (Used in pairs for supporting trucks, trailers, and equipment in fleet garages) (Stands must be able to lift 40,000 lbs. all together)
   - 4-stands with a total capacity of 40,000 lbs.?
     That is correct.
   - Height of each support stand?
     - Collapsed height 30” - Raised height 62”
     - Collapsed height 54” - Raised height 84”
     54” – 84”

Thank you,
Lower Rio Grande Valley Development Council
