Face Masks REQUIRED
It’s the law

The Transportation Safety Administration Security Directive 1582/84-21-01A states:

- **Federal Law** requires wearing a mask while on board the bus. Failure to do so will result in denial of boarding or removal from the bus.

- Refusing to wear a mask is a violation of federal law; passengers may be subject to penalties under federal law.

- This Security Directive applies to all persons boarding the bus, including those who have already been vaccinated.

- This Security Directive applies to any person in public areas of transportation hubs/facilities controlled by Valley Metro (such as information kiosks, waiting areas, and platforms for boarding and disembarking) for the duration of travel, boarding and disembarking.
