CERTIFICATION
REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS AND GRANTS

Federal Executive Order 12549 requires the Health and Human Service Commission (HHSC) to screen each covered potential contractor/grantee to determine whether each has a right to obtain a contract/grant in accordance with federal regulations on debarment, suspension, ineligibility and voluntary exclusion. Each covered contractor/grantee must also screen each of its covered subcontractors/providers.

In this certification “contractor/grantee” refers to both contractor/grantee and subcontractor/subgrantee: “contract/grant” refers to both contract/grant and subcontract/subgrant.

By signing and submitting this certification the potential contractor/grantee accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract/grant was entered to. If it is later determined that the potential contractor/grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, or the Health and Human Service Commission (HHSC) may pursue available remedies, including suspension and/or debarment. Must submit printout from the System for Awards Management website <https://www.sam.gov/portal/SAM/>
2. The potential contractor/grantee shall provide immediate written notice to the person to whom this certification is submitted if at any time the potential contractor/grantee learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words “covered contract,” “debarred,” “suspended,” “ineligible,” “participant,” “person,” “principal,” “proposal,” and “voluntarily excluded,” as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549. Usage is as defined in the attachment.
4. The potential contractor/grantee agrees by submitting this certification that, should the proposed covered contract/grant be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department of Health and Human Services, United States Department of Agriculture or other federal department of agency, and/or the Health and Human Service Commission (HHSC) as applicable.

Do you have or do you anticipate having subcontractors/subgrantees under this proposed contract? _____ YES _____ NO

5. The potential contractor/grantee further agrees by submitting this certification that it will include this certification titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion for Covered Contracts and Grants” without modification, in all covered subcontracts and in solicitations for all covered subcontracts.

6. A contractor/grantee may rely upon a certification of a potential subcontractor/subgrantee that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract/grant, unless it knows that the certification is erroneous. A contractor/grantee must, at a minimum, obtain certifications from its covered subcontractors/subgrantees upon each subcontract's/subgrant's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require establishment of a system of record in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor/grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts/grants authorized under paragraph 4 of these terms, if a contractor/grantee in a covered contract/grant knowingly enters into a covered subcontract/subgrant with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in the transaction, in addition to other remedies available to the federal government, Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, as applicable, and/or the Health and Human Service Commission (HHSC) may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS AND GRANTS.

Indicate which statement applies to the covered potential contractor/grantee:

_____ The potential contractor/grantee certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract/grant by any federal department of agency or by the State of Texas.

_____ The potential contractor/grantee is unable to certify to one or more of the terms in this certification.
