

ADDENDUM No. 1

RFP: 2025-06 LRGVDC Lawn and Landscape Services

Issued by: Lower Rio Grande Valley Development Council (LRGVDC)

Subject: Alternative Method for Vegetation Control

Original Language (Scope of Work – Edging – Edging Requirements): *“Mow strips shall be treated with a non-selective herbicide as needed to control unwanted vegetation.”*

This addendum is hereby made part of the above-referenced Request for Proposals (RFP). The LRGVDC will consider the physical removal of vegetation (manual, mechanical, or other non-chemical methods) in mow strips, sidewalks, patios, courtyards, walkways, and parking lots in lieu of the use of a non-selective herbicide. Proposers electing this option must clearly indicate their selected method of vegetation control within their proposal. All such areas shall be maintained clean and free of any unwanted vegetation throughout the contract term if awarded, regardless of the method selected. Bidders shall acknowledge receipt of this addendum on the Acknowledgment of Addenda Form provided in the RFP forms packet.
